

GANGJIE PENG

102627184@qq.com · github.com/PengGangjie · Liuzhou, China

PERSONAL SUMMARY

Vocational-college lecturer and AI builder working on digital methods for existing inhabited space. Ships lab-operations software, BIM retrofit teaching, agent pipelines, and a four-track music EP. Trimble SketchUp Official Trainer; previously a landscape designer at UDG, seconded to a municipal new-town bureau.

PROFESSIONAL EXPERIENCE

GUANGXI ECO-ENGINEERING VOCATIONAL & TECHNICAL COLLEGE — LIUZHOU, CHINA

Lecturer, Architectural Decoration · Training Lab Ops (Academic Affairs) 2021.07–Present

Shixun Platform, a permissioned cloud that replaced nested Excel ledgers for campus training labs:

Shipped FastAPI + Logto + Turso with 5-role RBAC across 9 colleges; live at gxstzy-shixun.ai-builders.space.

Aligned 245/438 classrooms to 354 labs, 547 room pages; audit-logged admin replaced folder archaeology.

Habitat Twin Studio, teaching and research that turns existing houses into measurable digital twins:

Hosting a provincial grant on BIM + point-cloud preservation of Guangxi vernacular houses (2025KY1625).

Trimble SketchUp Official Trainer (Std., T-010-000179, Beijing ATC, Aug 2024); teach SketchUp and BIM.

Co-edited national vocational textbook on architectural drawing; shipped Linluan Zhifu habitat-twin demo.

Competition Studio, a student pipeline in interior, exhibition, and digital design:

Coached GX Skills Contest 2nd (env. art), Yongchuang Cup national 1st, Milan Design Week national 2nd.

Won 5 national 2nds and 4 3rds in Digital Creative Teaching Skills; 2024 Outstanding Teacher / Advisor.

Taught 800–1,100 contact hours/year; 2024 mentor rank 3rd campus-wide.

INDEPENDENT PRODUCTS

Product Builder — Lixing, Chenfu EP, and related tools

OPEN SOURCE

2024–Present

Chenfu EP (Float & Sink), a four-track album hub for lyrics-synced listening and fan feedback:

Shipped Chenfu EP, a 4-track album hub (lyrics sync, guest board, album loop) at chenfu-ep.ai-builders.space.

Lixing, a personal OS that turns career frameworks into fillable daily tools:

Shipped 11-module PWA (density log, bias ring, Wheel of Life) with Logto sync; habit-first, then auth.

WUHAN CHANGJIANG NEW TOWN ADMINISTRATIVE COMMITTEE — WUHAN, CHINA

Staff, Development Bureau (seconded from UDG) 2018–2021

New-town planning desk for a municipal development district:

Handled plan compilation, investment decks, and bids; bridged consultants and government sign-off.

UDG UNITED DESIGN GROUP (WUHAN) — WUHAN, CHINA

Landscape Designer 2017.07–2021.07

Concept Landscape, early-stage masterplans and bid presentations:

Produced overall concept schemes and pitch decks for landscape bids; interned 2016, hired 2017.

PUBLICATION

Peng, G. (2025). High-Precision Intelligent Digital Preservation of Traditional Architecture through Multi-Scale Fusion and Deep Learning. IEEE 3rd ICEACE.

EDUCATION

China University of Geosciences (Wuhan)	M.A. in Art Design	2017.06
China University of Geosciences (Wuhan)	B.A. in Environmental Design	2014.06
TU Berlin (exchange studio)	Design — Berlin 2030	2015

CORE SKILL SET

Build: Python, FastAPI, Logto, Turso, Cursor agent pipelines

Domain: Trimble SketchUp Official Trainer, BIM, Habitat Digital Twin, Interior Retrofit
